

▶ OASIS Combo Wash & Dry Machine

Revolutionizing Laundry Experience

OASIS X series Combo Wash & Dry Machine — the perfect blend of innovation, performance, and simplicity. Designed to redefine your laundry experience, OASIS delivers a complete wash and dry cycle in less than one hour, without the hassle of transferring clothes between machines.

▼ Advantages And Benefits

One-Step Wash & Dry Convenience

- Wash and dry in a single machine. Save time and effort with seamless automatic transition between washing and drying cycles.
- Saves space for compact laundromat layouts.

Superior Cleaning & Drying Performance

OASIS delivers exceptional wash results and faster drying compared to other combo machines, ensuring cleaner, fresher laundry every time.

Heavy-Duty 300G Washer Construction

High-speed 300G extraction reduces residual moisture effectively, cutting down drying time and improving energy efficiency.

Front Inlet Hot Air Drying System

Powerful front air intake ensures strong heat penetration for quicker, more even drying with shorter cycle times.

Reduce Gas Consumption by up to 40%

Optimized heating and airflow design deliver faster drying with less energy use — helping you save on gas costs without compromising performance.

Industry First Self-Cleaning Lint Filter

Innovative automatic lint filter cleaning system maintains consistent airflow, enhances drying efficiency, and reduces maintenance costs.

▼ 10-inch Touchscreen Control

10-inch touchscreen control

Smart status indicator -- Different colored indicator lights represent different operation status.

Model		XHY20	XHY30
Washing capacity	kg	20	30
Drying capacity	kg	12	18
Cylinder diameter	mm	683	774
