

High-end commercial and industrial laundry equipment manufacturer.

FEATURES

- Reversing Stainless steel cylinder.
- Painted carbon steel panels.
- Super large door with 180° opening. Optional slid door or flip door.
- Heavy-duty door hinge ensures prolonged machine operation.
- Inverter drive motor and fan motor.
- 3D airflow and heat isolation.
- Optional moisture sensor.
- Optional forward tilting for 100kg slide door or flip door models.

Control

- Full-color touchscreen control offers 50 programs.
- Multiple languages.
- USB connection and networking capability.

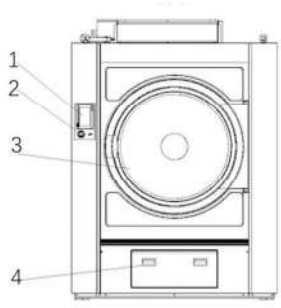

Options

Electric heating, Steam heating or Gas heating.
